

Demo Adempiere Colombia

QSS is pleased to present the new website <http://demo.globalqss.com> where you can experience the full capabilities of Adempiere localized for Colombia, online and immediate access.

Additionally to all the powerful functionality of Adempiere, you can try the automatic calculation of withholdings, as well as test the 1002 Magnetic Media format for submission to the DIAN.

You'll also find in this demo familiar terminology used by the ERP systems in Colombia.
